We offer brake rotor bolt kits for almost every year and model Harley. Our 12 Point brake rotor bolt kits are rated at an impressive 180,000psi tensile (20% stronger than Grade 8). Pictured below is our 12 Point rotor kit (PB530S) next to our special low head 12 Point kit (PB550S) which fits Narrowglide models. We also manufacture a special low head socket shoulder bolt kit for certain Dyna and Screaming Eagle models. This bolt is rated at 170,000psi tensile and features an extra deep broach for the allen key to insure that you cannot round them out. We manufacture the ultimate brake fasteners for performance and looks that will out perform and out last any other fastener offered!

Disc Brake Rotor	O.E.	Socket Cap	12 Point
Front - All Models 1984-10 (except Narrow Glide models, FLHRSE3/4 2007-08 & FLTRSE3 2009 & FLHXSE 2010)	---	---	PB530S Disc Brake Rotor \$23.99
Front - All Narrow Glide Models 1984-10 (except Dynas w/cast wheel option 2006-10)	---	---	PB550S Rotor Bolts Narrow Glide \$23.99
Front - FLHRSE3/4 2007-08, FLTRSE3 2009, FXD, FXDC & FXDL with cast wheel option 2006-10 (Order two kits for dual disc)	DE5199P Disc Brake Rotor Dyna 2006 fr. Cast \$44.49	---	---
Front - FX All Models 1978-83, FXR 1982-83, All aftermarket with countersunk holes 1984-10	DE5074P Disc Brake Rotor \$13.49	---	---
Front - Locknut Kit All non-threaded hubs 1978-10	DE5070P Disc Brake Locknut Kit \$9.99	---	---
